

THE CONRAIL HISTORICAL SOCIETY'S ORAL HISTORY PROJECT

Starting in 2020, The Conrail Historical Society will be undertaking a project to record and publish oral histories from Conrail veterans. We're looking to record the stories of working for Conrail in various positions, all the way from brakemen to upper management. Selected stories will be transcribed from the recordings and published in our *Conrail Quarterly* magazine.

Participants in our program will be gifted a single year of honorary membership in The Conrail Historical Society, which includes four print issues of our *Conrail Quarterly* magazine.

If you are interested in participating, please fill out the form below and mail it to:

If you prefer, this form can also be filled out online at www.TheCRHS.org/oralhistory.

Once you've submitted your form, a CRHS volunteer will reach out to you directly to schedule an interview and record your story. This can be conducted in person, written/emailed, or over the phone - whichever you prefer!
